

## COOKIE POLICY

This website uses cookies to improve and optimize the user experience. Below you will find detailed information about what cookies are, what types this website uses, how you can disable them in your browser, and how to specifically block the installation of third-party cookies.

### What are cookies and how does Amazsa Spain, S.L. use them?

Cookies are files that the website or application you use installs on your browser or device (smartphone, tablet, etc.) while you browse the pages or use the application, and are used to store information about your visit. Like most websites, the Amazsa Spain, S.L. website uses cookies to:

- Ensure that the web pages can function properly.
- Store your preferences, such as the language you have selected or the font size.
- Learn about your browsing experience.
- Collect anonymous statistical information, such as which pages you have viewed or how long you have been on our site.

The use of cookies allows us to optimize your browsing experience, adapting the information and services offered to your interests, to provide you with a better experience whenever you visit us. The Amazsa Spain, S.L. website uses cookies to function, adapt, and facilitate user navigation as much as possible.

Cookies are only associated with an anonymous user and their computer/device and do not provide references that allow personal data to be known. You can access your browser settings at any time to modify and/or block the installation of cookies sent by the Amazsa Spain, S.L. website without this preventing access to the content. However, the quality of the services may be affected.

## **How can I configure my cookies?**

When browsing our website, we will ask for your consent to the use of cookies under the conditions contained in this cookie policy. Amazsa Spain, S.L. provides access to this cookie policy at the time of registration so that users are informed, without prejudice to their right to block, delete, and reject the use of cookies at any time.

In any case, we inform you that, since cookies are not necessary for the use of our website, you can block or disable them by activating your browser settings, which allows you to reject the installation of all or some cookies. Most browsers allow you to warn of the presence of cookies or reject them automatically. If you reject them, you can continue to use our website, although the use of some of its services may be limited and therefore your experience on our website will be less satisfactory.

## **How can I block or allow cookies?**
